CATERING BASICS AT SARATOGA ROSE INN or OFF-PREMISES

CAPACITY

The capacity at Saratoga Rose Inn depends upon the event format and the time of the year. We can accommodate 75 - 80 and up to 100 when we can use the veranda (mid - June through early October) within the mansion for a seated dinner. We can seat up to 140 under a tent on our great lawn in our Victorian Gardens behind the mansion (the tent can be heated during early Spring and the mid - late Fall). Our Off-Premises capacity depends upon the facilities that exist or can be set up at the location.

FOOD PRICING & EVENT TIMING

Food Pricing depends upon the format and menu. Please refer to our ***Catering Menus*** for specific pricing. For example, a cocktail reception followed by a full served sit down dinner generally ranges from \$35 - \$70 per person for the food. Since we offer dining to our Inn guests, and since our restaurant is open to the public for dinner at 5:00PM, unless a special arrangement is made to secure the entire restaurant or a private dining room or two (seating for approximately 25 - 30 in each) for the evening, we must conclude private catered events at Saratoga Rose Inn by 4:00PM. If you would like to have one, two or all three of our main dining rooms to yourselves for an evening, a special charge would be added that would depend upon the season and the amount of space required. Event timing is generally not an issue for Off-Premises events.

LIQUOR

Saratoga Rose Inn has a full liquor license. There are several options for service of Alcoholic Beverages:

Open Bars are priced by the drink (strict counts are kept, and the client is billed by the drink at the end of the event).

Wines with Dinner are priced by the glass or carafe, if you select our house wines, or by the bottle from our extensive Wine List. If there is a special wine you would like to serve, we can most likely accommodate your wishes.

Cash Bars are available.

Off-Premises events require that Saratoga Rose Inn acquire an "off-premises license" for the Event.

STAFFING

Staffing is provided at a flat rate of \$50 per service person. The number required will depend upon the event format and guest count.

ADDITIONAL SERVICES

We are able to provide photographers, flowers, tenting, all equipment (tables, chairs, linens, china, etc.), and music, both Live & DJ. The range in pricing depends upon the selections made.

NYS SALES TAX

Sales Tax is added at 7% on Fees, Food, Beverages, Staffing, and Additional Services.

GRATUITIES

Gratuities of 20% are added to the cost of Food & Beverages.
